AGENDA

GENERAL BUSINESS

ACCOUNTS AND REPORTS

To receive and consider the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass the following resolution as a **non-binding resolution**:

"That, for the purposes of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report in the Annual Report of the Company for the financial year ended 30 June 2023."

Voting exclusion:

A vote in respect of the Resolution must not be cast (in any capacity) by or on behalf of any of the following persons (the "voter"):

- (a) a member of the key management personnel, details of whose remuneration are included in the remuneration report; or
- (b) a closely related party of such a member.

However, the voter may cast a vote on the Resolution as a proxy if the vote is not cast on behalf of a person described in paragraphs (a) or (b) and either:

- (c) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (d) the voter is the chair of the meeting and the appointment of the chair as proxy:
 - (i) does not specify the way the proxy is to vote on the Resolution; and
 - (ii) expressly authorises the chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the company.

RESOLUTION 2 – RE-ELECTION OF DIRECTOR – PETER LESTER

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

"That Peter Lester, who retires by rotation in accordance with Listing Rule 14.4 and rule 7.3 of the Constitution of the Company, and being eligible, offers himself for re-election, is hereby re-elected as a director of the Company."

RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% CAPACITY

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

"That, the Company have the additional capacity to issue equity securities provided for in Listing Rule 7.1A."

Voting Exclusion: The Company will disregard any votes cast in favour of the Resolution by or on behalf of any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) or an associate of those persons. However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

RESOLUTION 4 – APPROVAL TO ISSUE SECURITIES UNDER EMPLOYEE INCENTIVE SCHEME

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That the issue of up to 20,000,000 equity securities under the 'Employee Incentive Plan' for a period of 3 years from the Meeting is approved under and for the purposes of Listing Rule 7.2 Exception 13(b) and for all other purposes, on the terms set out in the Explanatory Statement."

Voting Exclusion: The Company will disregard any votes cast in favour of the Resolution by or on behalf of a person who is eligible to participate in the Employee Incentive Plan or an associate of those persons. However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is

- not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
- (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Restriction on proxy voting by key management personnel or closely related parties:

A person appointed as proxy must not vote, on the basis of that appointment, on this Resolution if:

- (a) the proxy is either:
- (i) a member of the key management personnel for the Company; or
- (ii) a closely related party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this Resolution.
- However, the above prohibition does not apply if:
- (c) the proxy is the chair of the Meeting; and
- (d) the appointment expressly authorises the chair of the Meeting to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Company.

Where the chair is the related party the subject of the Resolution or is an associate of the related party, the chair cannot cast undirected proxies in respect of the Resolution.

RESOLUTION 5 – AMENDMENT TO CONSTITUTION

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

“That, for the purposes of section 136(2) of the Corporations Act and for all other purposes, approval is given for the Company to amend its existing Constitution, with effect from the close of the Meeting, to allow for the use of technology at general meetings and distribution of meeting-related documents.”

There is no voting exclusion statement.

VOTING AND PROXIES

1. A Shareholder of the Company entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the Shareholder's voting rights. If the Shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes. A proxy need not be a Shareholder of the Company.
2. Where a voting exclusion applies, the Company need not disregard a vote if it is cast by the person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.
3. The chair of the Meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions, including Resolutions 1 and 4. The Proxy Form expressly authorises the chair of the Meeting to exercise the proxy in relation to Resolutions 1 and 4 even though these Resolutions are connected directly or indirectly with the remuneration of a member of key management personnel. Any undirected proxies held by a Director, any member of the key management personnel or any of their closely related parties (who are not the chair) will not be voted on Resolutions 1 and 4.
4. Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling of the activities of the Company,

directly or indirectly. Closely related parties are defined in the Corporations Act, and include certain family members, dependants and companies controlled by key management personnel.

5. In accordance with Regulation 7.11.37 of the Corporations Act, the Directors have set a date to determine the identity of those entitled to attend and vote at the Meeting. The date is 21 November 2023 at 5.00pm (WST).
6. If using the Proxy Form, please complete, sign and return it to the Company's registered office in accordance with the instructions on that form. Voting online is available.

By order of the Board

Steven Jackson
Company Secretary

Dated: 23 October 2023

EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.auroraenergymetals.com.

Shareholders will be offered the following opportunities:

- (a) discuss the annual financial report for the financial period ended 30 June 2023;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2023.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

2.2 **Voting Consequences**

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 **Previous voting results**

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 **Proxy restrictions**

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the Proxy Form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2023. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. **RESOLUTION 2 – RE-ELECTION OF DIRECTOR – PETER LESTER**

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Peter Lester has been a director since 14 December 2021. He retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election as a Director.

Mr Lester is the Non-Executive Chair of the Company. Details of the qualifications and experience of Mr Lester is set out in the Company's 2023 Annual Report.

The Board of the Company, with Mr Lester abstaining, recommends the re-election of Peter Lester as a Director.

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% CAPACITY

4.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "*eligible entity*" means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Specific information required by Listing Rule 7.3A

(i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 5.75 cents	Funds raised based on issue price of 11.5 cents	Funds raised based on issue price of 23 cents
		(50% decrease in current issue price)	(Current issue price)	(100% increase in current issue price)
179,063,737 (Current)*	17,906,373	\$1,029,616	\$2,059,233	\$4,118,466
268,595,606 (50% increase)*	26,859,560	\$1,544,425	\$3,088,849	\$6,177,699
358,127,474 (100% increase)*	35,812,747	\$2,059,233	\$4,118,466	\$8,236,932

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 19 September 2023.
2. The issue price set out above is the closing price of the Shares on the ASX on 19 September 2023.
3. The Company issues the maximum number of equity securities available under the additional 10% capacity.
4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has issued or agreed to issue a total of equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting and this represents 9.4% of the total number of equity securities on issue at the commencement of that 12 month period.

In accordance with Listing Rule 7.3A.6, details of the issues of equity securities under Listing Rule 7.1A.2 in the 12 month period preceding this Meeting are:

Date of Issue	Names of persons issued equity securities or basis of identification	Number and class of equity securities issued	Price at which equity securities issued and any discount to closing market price on date of issue or agreement	Total cash consideration received and what cash has been spent and what it has been spent on and intended use of remaining cash
1 June 2023	Institutional investors exempt from or outside the disclosure requirements under Chapter 6D of the Corporations Act	14,261,099 Shares	7.5 cents each representing a discount of 17% to the closing market price on the date of agreement	The \$1,069,582 raised have not been spent but will be used, in conjunction with other moneys raised by the placement, to complete a uranium scoping study and for general working capital.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

5. RESOLUTION 4 – APPROVAL TO ISSUE SECURITIES UNDER EMPLOYEE INCENTIVE SCHEME

5.1 Background

The Board has adopted a new Employee Incentive Plan in September 2023. This followed the introduction of a new Employee Share Scheme Regime from 1 October 2022 which replaced the previous ASIC Class Order that addressed employee security scheme issues. The new Plan replaces a plan that was adopted in March 2022. The new Plan is consistent with the Employee Share Scheme Regime and enables the Company to issue Options and Performance Rights to eligible participants being employees (full and part-time), directors, relevant contractors, casual employees, prospective parties in these capacities and any person who provides services to the Company.

The Employee Incentive Plan is intended to provide an opportunity to eligible participants to participate in the Company's future growth and assist with reward and retention of eligible participants.

The Employee Incentive Plan is an employee incentive scheme in accordance with the Listing Rules.

A summary of the Employee Incentive Plan is set out in Schedule 1.

5.2 Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Although Shareholder approval is not required under the Corporations Act or the Listing Rules for the operation of the Employee Incentive Plan itself, Listing Rule 7.2 Exception 13(b) provides that an issue of securities under an employee incentive scheme (such as the Employee Incentive Plan) will not be included in calculating the Company's placement limit in Listing Rule 7.1 if it is made within 3 years after shareholders approve the issue of equity securities under the scheme as an exception to the placement limits.

By this Resolution the Company is seeking approval to issue securities under the Employee Incentive Plan for a period of 3 years from the Meeting to eligible participants who are not Directors or Listing Rule 10.14 parties, so that the issue of securities is excluded in calculating the placement limit in Listing Rule 7.1.

This will enable the Company to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval to such issues under Listing Rule 7.1.

If this Resolution is passed, the Company will be able to proceed with issues of securities under the Employee Incentive Plan for a period of 3 years from the Meeting and these issues will be excluded in calculating the Company's placement limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval.

If this Resolution is not passed, any issues of securities under the Employee Incentive Plan will be included in calculating the Company's placement limits in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval.

For Shareholders to approve the issue of securities under the Employee Incentive Plan for a period of 3 years from the Meeting, the following information is provided to Shareholders in accordance with Listing Rule 7.2 Exception 13(b):

- (a) A summary of the Employee Incentive Plan is set out in Schedule 1. Options and Performance Rights may be issued under the Employee Incentive Plan to eligible participants.
- (b) There have been no securities issued under the Employee Incentive Plan since the Company adopted the Employee Incentive Plan in September 2023, or under the Employee Incentive Plan that the Company adopted in March 2022.
- (c) The maximum number of equity securities proposed to be issued under the Employee Incentive Plan following Shareholder approval sought by this Resolution and for the next 3 years is 20,000,000 equity securities.

Any equity securities proposed to be issued under the Employee Incentive Plan to a Director or Listing Rule 10.14 party will require separate Shareholder approval under Listing Rule 10.14 of the Listing Rules.

A voting exclusion statement applies to this Resolution.

5.3 Recommendation

The Board recommends that Shareholders approve the issue of securities under the Employee Incentive Plan as it will allow the Company to issue such securities for the benefit of eligible participants for a period of 3 years from the Meeting whilst preserving the Company's placement limits in Listing Rule 7.1 and will provide flexibility in the manner in which the Employee Incentive Plan is managed.

6. RESOLUTION 5 – AMENDMENT TO THE CONSTITUTION

6.1 Background

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by a special resolution of Shareholders.

This Resolution seeks the approval of Shareholders to amend the Company's Constitution by making the amendments set out in Section 6.3 below.

A copy of the amended constitution as marked up is available for review by Shareholders at the office of the Company. A copy of the amended constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

6.2 Proposed amendment

This Resolution proposes to amend the Constitution to account for recent developments in law and general corporate practice for ASX-listed companies to use virtual meeting technology to hold meetings of Shareholders.

The *Corporations Amendment (Meetings and Documents) Act 2022* amends the Corporations Act to allow for meetings of members to be held physically, as a hybrid or, if expressly permitted by the entity's constitution, virtually (provided that members, as a whole, are given a reasonable opportunity to participate in the meeting).

The Company's current Constitution does not permit the Company to hold wholly virtual general meetings. The Company would like to amend its Constitution to ensure that the Company will be able to take advantage of the increased flexibility and accessibility that the virtual meetings provision offers in respect of general meetings.

Virtual meetings are those which are held entirely online utilising audio or audio and visual communication technology.

6.3 Amendments to the Constitution

It is proposed that the Constitution be amended by deleting Rule 6.7 of the Constitution in its entirety and replacing with the following:

"6.7 Use of technology at General Meetings

- (a) *To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, a general meeting may be convened using virtual technology only, or at two or more venues, provided that the form of technology used provides all Members entitled to attend the meeting, as a whole, a reasonable opportunity to participate in the meeting without being physically present in the same place.*
- (b) *The provisions of this Constitution relating to general meetings apply, so far as they can and with any necessary changes to ensure compliance with the Corporations Act, Listing Rules and any other applicable law, to general meetings held using that technology.*

Where a general meeting is held using virtual technology only or at two or more venues using any form of technology:

- (i) *a Member participating in the meeting is taken to be present in person at the meeting;*
- (ii) *any documents required or permitted to be tabled at the meeting will be taken to have been tabled at the meeting if the document is given, or made available, to the persons entitled to attend the meeting (whether physically or using technology) before or during the meeting; and*
- (iii) *the meeting is taken to be held at the physical venue set out in the notice of meeting, or at the registered office of the Company if the meeting is held using virtual technology only.*

6.7A Communication of meeting documents

To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, any document that is required or permitted to be given to a Member that relates to a Members' meeting (including, but not limited to, the notice of meeting) may be distributed:

- (a) *by means of electronic communication; or*
- (b) *by giving the Member (by means of an electronic communication or otherwise) sufficient information to allow the person to access the document electronically."*

6.4 Board recommendation

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders eligible to vote.

The Board recommends that Shareholders vote in favour of this Resolution.
