EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – ISSUE OF SHARES TO RELATED PARTY – ROBY ZOMER

1.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue 1,000,000 Tranche 1 Shares, 1,000,000 Tranche 2 Shares, 1,000,000 Tranche 3 Shares and 1,000,000 Tranche 4 Shares to Roby Zomer (or his nominee) on the terms and conditions set out below.

Further details in respect of the Shares proposed to be issued to Mr Zomer are set out in the table below:

Tranche	Quantity	Escrow
Tranche 1	1,000,000	Freely tradeable from the date of issue.
Tranche 2	1,000,000	Subject to voluntary escrow all Shares to be released from escrow upon the Company achieving a volume weighted average price of Shares (VWAP) which is at least \$0.55 (or £0.26 on the LSE or US\$0.33 on the OTC) over 10 consecutive trading days on which the Company's Shares have actually traded.
Tranche 3	1,000,000	Subject to voluntary escrow all Shares to be released from escrow upon the Company achieving a VWAP which is at least \$0.70 (or £0.37 on the LSE or US\$0.47 on the OTC) over 10 consecutive trading days on which the Company's Shares have actually traded.
Tranche 4	1,000,000	Subject to voluntary escrow all Shares to be released from escrow upon the Company achieving a VWAP which is at least \$0.90 (or £0.47 on the LSE or US\$0.60 on the OTC) over 10 consecutive trading days on which the Company's Shares have actually traded.

Resolution 1 seeks Shareholder approval for the issue of the Shares to Roby Zomer (or his nominee).

1.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Shares to Roby Zomer (or his nominee) constitutes giving a financial benefit and Mr Zomer is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Zomer who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Shares because the agreement to issue the Shares, reached as part of the remuneration package for Mr Zomer, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

1.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3;
or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Shares falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 1 seeks the required Shareholder approval for the issue of the Shares under and for the purposes of Listing Rule 10.11.

1.4 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Shares to Roby Zomer within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares (because approval is being obtained under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity.

If Resolution 1 is not passed, the Company will not be able to proceed with the issue of the Shares.

1.5 Technical Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 1:

- (a) the Shares will be issued to Roby Zomer (or his nominee), who falls within the category set out in Listing Rule 10.11.1 as Mr Zomer is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Shares to be issued is 4,000,000;
- (c) the Shares will be fully paid ordinary shares in the capital of the Company and be issued on the same terms and conditions as the Company's existing fully paid ordinary shares;
- (d) the Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Shares will occur on the same date;
- (e) the issue price of the Shares will be nil. The Company will not receive any other consideration in respect of the issue of the Shares;
- (f) the purpose of the issue of the Shares is to provide a performance linked incentive component in the remuneration package for Roby Zomer to motivate and reward his performance as a Director and to provide cost effective remuneration to Mr Zomer, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Zomer;
- (g) the current total remuneration package for Roby Zomer is \$365,683, comprising Director's salary. If the Shares are issued, the total remuneration package of Mr Zomer will increase by \$1,120,000 to \$1,485,683, being the value of the Shares based on the closing price as at 26 July 2024;
- (h) the Shares are not being issued under an agreement; and
- (i) a voting exclusion statement is included in Resolution 1 of the Notice.

2. RESOLUTION 2 – ISSUE OF PERFORMANCE RIGHTS TO BRETT MITCHELL

2.1 General

The Company has agreed, to issue 600,000 Performance Rights to Brett Mitchell (or his nominee) pursuant to the Company's employee incentive securities plan (**Plan**) and on the terms and conditions set out below.

Further details in respect of the Performance Rights proposed to be issued to Brett Mitchell are set out in the table below:

Class	Quantity	Vesting Condition	Expiry Date
Class A	200,000	Vest upon the Company achieving a VWAP which is equal to or greater than \$0.55 over 10 consecutive trading days.	5 years from the date of issue

Class B	200,000	Vest upon the Company achieving a VWAP which is equal to or greater than \$0.70 over 10 consecutive trading days.	5 years from the date of issue
Class C	200,000	Vest upon the Company achieving a VWAP which is equal to or greater than \$0.90 over 10 consecutive trading days.	5 years from the date of issue

2.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Performance Rights does not fit within any of the exceptions set out in Listing Rule 7.2. While the issue does not exceed the 15% limit in Listing Rule 7.1 and can therefore be made without breaching that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder approval pursuant to Listing Rule 7.1 so that it does not use up any of its 15% placement capacity under Listing Rule 7.1.

2.3 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Performance Rights. In addition, the issue of the Performance Rights will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the issue of the Performance Rights can still proceed but it will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for 12 months following the issue.

Resolution 2 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Performance Rights.

2.4 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 2:

- (a) the Performance Rights will be issued to Brett Mitchell (or his nominee);
- (b) the maximum number of Performance Rights to be issued to Brett Mitchell (or his nominee), being the nature of the financial benefit proposed to be given, is 600,000;
- (c) the Class A to C Performance Rights will be subject to voluntary escrow until 15 November 2024. The Performance Rights will otherwise on the terms and conditions set out in Schedule 1;
- (d) the Performance Rights will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any

ASX waiver or modification of the Listing Rules) and it is intended that issue of the Performance Rights will occur on the same date;

- (e) the issue price of the Performance Rights will be nil, as such no funds will be raised from the issue of the Performance Rights;
- (f) the purpose of the issue of the Performance Rights is to provide a performance linked incentive component in the remuneration package for Brett Mitchell to align the interests of Mr Mitchell with those of Shareholders, to motivate and reward the performance of Mr Mitchell in his role as corporate advisor to the Company and to provide a cost effective way from the Company to remunerate Mr Mitchell, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Mitchell;
- (g) the Performance Rights are not being issued under an agreement; and
- (h) the Performance Rights are not being issued under, or to fund, a reverse takeover.

3. RESOLUTION 3 – DELISTING FROM THE OFFICIAL LIST OF ASX

3.1 General

As announced on 13 August 2024, the Company has applied to the ASX to be removed from the official list of the ASX (**Official List**) pursuant to Listing Rule 17.11 (**Delisting**).

ASX advised the Company that its removal from the Official List is subject to compliance with the following conditions:

- (a) the Company sending a written or electronic communication in relation to the Delisting (the **Communication**) to all Shareholders, and releasing an ASX announcement (in a form and substance satisfactory to ASX) setting out the following:
 - (i) the nominated time and date at which the Company will be suspended and subsequently removed from the Official List and that:
 - (A) if they wish to sell their Shares on ASX, they will need to do so before then; and
 - (B) if they don't, thereafter they will only be able to sell their depositary interests of the Company (**Depositary Interests**) on-market on the London Stock Exchange (**LSE**) after their Shares are converted to Depositary Interests;
 - (ii) the steps they must take to request to convert their Shares to Depositary Interests that are able to be traded on LSE;
- (b) the removal of the Company from the Official List not taking place any earlier than one month after the Communication has been sent to Shareholders;

- (c) the Company applying for its Securities to be suspended from quotation at least two (2) business days before its proposed removal date; and
 - (d) the Company releasing the full terms of ASX's decision to the market,
- (the **Delisting Conditions**).

The Board considers that it is in the best interests of the Company and its security holders for the Company to be removed from the Official List of ASX for the reasons set out in Section 3.3 of this Explanatory Statement.

Resolution 3 seeks the required shareholder approval to the Delisting under and for the purposes of the ASX Listing Rules and ASX's requirements.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to proceed with the Delisting and the advantages provided below will likely follow. If Resolution 3 is not passed, the Company will remain listed and subject to the ASX Listing Rules.

3.3 Listing Rule 17.11

Listing Rule 17.11 provides that the ASX may at any time remove an entity from the Official List at the request of the entity. The ASX is not required to act on the entity's request or may require conditions to be satisfied before it will act on the request. The ASX has approved the Company's request for Delisting, subject to the satisfaction of the Delisting Conditions set out in Section 3.1.

3.4 Reasons and potential advantages of removal from the Official List

The primary reasons the Board has decided to remove the Company from the Official List are as follows:

(a) Lack of Liquidity

There has been a significant lack of liquidity in trading in the Company's shares on ASX, as evidenced by the following statistics:

Month	Days traded	Number of Shares Traded	Value of Shares Traded (AUD) ¹
June 2024	19	174,139	\$53,067
May 2024	23	150,623	\$57,106
April 2024	20	355,464	\$149,828
March 2024	20	711,954	\$303,826
February 2024	21	298,690	\$122,534
January 2024	21	282,092	\$120,091

Notes:

1. Approximate value based on the average share price (rounded up) for the relevant month.

Recent trading history shows notably low volume trading in the Company's shares on ASX and the Company believes this is unlikely to change in the foreseeable future.

(b) **Fundraising difficulties**

The Company requires funding to meet its ongoing operational and working requirements. However, Australian institutional and retail investor interest in the Company is low and remains low despite efforts by the Company to attract investors in Australia. The Company has experienced significant fundraising difficulty in Australia and has not benefited from being an ASX listed entity in this sense.

The Company's most recent capital raising in July 2024 was supported by investors from the United Kingdom and United States. The Company did not receive applications for shares from new or existing Australian shareholders.

(c) **LSE Listed**

The Company was admitted to trading on the London Stock Exchange (**LSE**) on 9 February 2021. The Board considers that the Company's LSE listing is more beneficial to the Company due to the composition of its investor base. The LSE listing is considered the Company's primary listing. For the reasons set out above, the Board considers that the Company no longer requires a second listing on the ASX.

(d) **Listing Costs**

The Board estimates that costs attributable to the Company's ASX listing are approximately \$108,000 per annum. In addition, there are indirect costs associated with the need to devote management time attending to matters relating to the ASX listing and other ongoing administrative and compliance obligations. While the Company may contemplate a second listing in the future, the Board believes that the funds currently used to maintain the Company's ASX listing, together the management time, could be directed toward the ongoing focus and development of the Company's operations if the Company is delisted from the ASX, in particular where the Company sees little tangible benefit from being an ASX-listed company at present.

3.5 Potential disadvantages of removal from the Official List

The potential disadvantages of Delisting include:

(a) **Shareholders will no longer have the ability to sell their shares and realise their investment in the Company via trading on the ASX**

Following Delisting, the Company's shares will only be capable of sale via on market trade on the London Stock Exchange or via off-market private transactions in accordance with the Company's Constitution. Notwithstanding that there is currently a lack of liquidity in trading of Shares on the ASX, it may become more difficult for Shareholders to identify and agree terms with potential purchasers post Delisting. After the Delisting, the Directors will continue to assess appropriate measures to

enable Shareholders to realise the value of their investment in the Company.

(b) **The Listing Rules will no longer apply**

The Listing Rules will no longer apply to the Company and shareholder protections contained in the Listing Rules will no longer apply, including certain restrictions on the issue of Shares by the Company, certain restrictions in relation to transactions with persons in a position of influence and the requirement to address the ASX Corporate Governance Principles and Recommendations on an annual basis.

3.6 Consequences of Delisting

The consequences of the Delisting include the following:

- (a) Shareholders will have their CHESS holdings converted to the certificated sub-register on the Company's share register. No action will be required by Shareholders to affect this conversion.
- (b) the Constitution and, therefore, Shareholders' rights will remain unchanged following the Delisting, such that Shareholders will continue to have the right to:
 - (i) receive notices of meetings and other notices issued by the Company;
 - (ii) exercise voting rights attached to Shares; and
 - (iii) entitlement to receive dividends declared and payable by the Company from time to time.
- (c) Changes to disclosure obligations

If the Company delists from ASX it will become a foreign listed disclosing entity. Although it will no longer be required to comply with the continuous disclosure obligations and periodic disclosure obligations under Chapters 3 and 4 of the ASX Listing Rules, the Company will remain subject to continuous disclosure and periodic disclosure obligations under the Corporations Act and the Financial Conduct Authorities continuous disclosure obligations.

More specifically, following Delisting, the Company will no longer be required to comply with continuous disclosure obligations under Listing Rule 3.1, or make specific disclosures under Chapter 3 of the ASX Listing Rules (although such disclosure may nevertheless be required under the Company's continuous disclosure obligations under the Corporations Act and Financial Conduct Authority).

Further, following Delisting, the Company will not be required to comply with the periodic disclosures provisions under Chapter 4 of the Listing Rules.

By contrast, under the Corporations Act and Financial Conduct Authority, the Company will be required to disclose information that a reasonable person would be taken to expect to have a material effect on the price

or value of the Company's securities, which is effectively the same as the continuous disclosure requirement under the Listing Rules, but without ASX's input and oversight.

Further, while the Company continues to have in excess of 100 Shareholders, the Company will be an 'unlisted disclosing entity' for the purposes of the Corporations Act, and will therefore remain subject to the continuous disclosure provisions in section 675 of the Corporations Act, which require an entity to lodge certain material information with ASIC.

The Company will also continue to be subject to obligations to prepare audited annual and half-yearly financial statements under Part 2M.3 of the Corporations Act and will be required to hold an annual general meeting at least once each calendar year and within five months after the end of its financial year in accordance with section 250N of the Corporations Act. Moreover, Shareholders will continue to receive the benefit of the protections under Chapter 6 of the Corporations Act (for so long as the Company has 50 shareholders or more).

(d) Non-Application of ASX Listing Rules generally

In addition to the reduction in the Company's continuous and periodic disclosure obligations, the Company will no longer be subject to the application of other ASX Listing Rules which are intended to protect, or provide information to, shareholders (such as Chapters 7, 10, 11 and 14 of the Corporations Act). For example:

- (i) the Company will no longer be required to obtain shareholder approval for significant transactions, including any transactions which could change the nature or scale of the Company's undertakings;
- (ii) unless caught by Chapter 2E, the Company will no longer be required to obtain shareholder approval to enter into transaction with certain persons of influence;
- (iii) shareholders will no longer be protected from substantial dilution of their holdings by the 15% placement cap
- (iv) the specific disclosures to be made in a notice of meeting for shareholder approval of the matters set out above no longer need to be made; and
- (v) voting exclusions mandated by the ASX Listing Rules on certain resolutions will no longer apply

(e) Raising capital post-Delisting

While the Board believes the Company will have better access to potential capital and on more favourable terms than would otherwise be available if the Company was to remain listed on the ASX, there is no certainty that the Company will in fact obtain better access to capital and/or on more favourable terms post-Delisting.

3.7 Special majority Resolution

Resolution 3 is being put to Shareholders as a special majority resolution and will therefore be passed only if at least 75% of the votes cast on a poll by Shareholders at the Meeting who are entitled to vote on Resolution 3 are cast in favour of the Resolution.

The Company is seeking the approval of Shareholders for the removal from the Official List of its own volition because it considers it both appropriate and a matter of good governance that Shareholders should be consulted on such a significant decision.

3.8 Indicative timetable

If Resolution 3 is passed, the Company will be able to proceed with the Delisting and will be removed from the Official List on a date to be decided by the ASX in consultation with the Company (**Delisting Date**).

The indicative timetable for the removal of the Company from the Official List (and assuming the special resolution is passed by Shareholders at the Meeting) is:

Event	Date
Announcement of proposed Delisting	13 August 2024
Meeting to approve Delisting	1 October 2024
Delisting Date (prior to commencement of trading)	4 October 2024

*The dates above are indicative only and subject to change by the Company or ASX. The Company will inform security holders of any changes to the indicative timetable referred to above by announcement made via the ASX market announcements platform.

3.9 Shareholder remedies

In addition to voting against the resolution, if a shareholder of the Company consider the proposed delisting to be contrary to the interests of the shareholders as a whole or oppressive to, unfairly prejudicial to, or unfairly discriminatory against, a shareholder or shareholders, then it may apply to the court for an order under Part 2F.1 of the Corporations Act. Under section 233 of the Corporations Act, the court can make any order that it considers appropriate in relation to the Company, including an order that the Company be wound up or an order regulating the conduct of the Company's affairs in the future.

Further, if a shareholder considers the proposed delisting involves "unacceptable circumstances" under the Australian takeovers law, it may apply to the Takeovers Panel for a declaration of unacceptable circumstances and other orders under Part 6.10 Division 2 Subdivision B of the Corporations Act. Under section 657D of the Corporations Act, if the Takeovers Panel has declared circumstances to be unacceptable, it may make any order that it thinks appropriate to protect the rights or interests of any person or group of persons, where the Takeovers Panel is satisfied that those rights or interests are being affected, or will be or are likely to be affected, by the circumstances.

The Directors recommend shareholders seek their own professional advice in this regard.

Shareholder Arrangements

The Company intends to allow at least 4 weeks for normal trading between Communication and delisting to allow Shareholders to sell their Shares if they wish, following which they will be able to sell their Shares on the LSE if they wish.

To facilitate trading of the Company's shares on LSE, the Company has established a DI facility under which it has appointed Computershare Investor Services Plc as the depositary.

Securities of Australian issuers cannot be directly registered, transferred or settled through CREST (which is the electronic settlement system in the UK). The DI facility overcomes this by creating entitlements to the Company's shares (the DIs), which are deemed to be UK securities and therefore admissible to CREST. The underlying Shares are listed and traded on LSE, while the DIs are transferred in CREST to settle those trades.

If you choose to move your securities to the UK to trade and become the holder of DIs, your Shares are no longer held in your name on the Company's Australian share register. Instead, they are held by an Australian custodian, Computershare Investor Services Pty Limited. As a DI holder, you become the beneficial holder of those Shares, with the DIs held on the Company's UK DI Register on your behalf by your broker. In order to trade their Shares on LSE, Shareholders will firstly need to convert their shares to DIs. If a Shareholder's current trading arrangements are not suitable, that Shareholder must first engage a suitable Australian broker who has an agreement with a UK broker that is able to trade on LSE and can accept the DIs into the CREST system (the electronic settlement system in the UK) to hold or for settlement purposes. Alternatively, a Shareholder may wish to appoint a broker based in the UK. The Company intends to enter into an arrangement with a broker in the UK, to transact on the LSE on behalf of Australian Shareholders.

Once your account with the broker has been established, you are required to submit your original Share certificate and completed Depositary Interests Issuance (Australian Register to UK DI Register) form to Computershare's Global Transactions team.

It is expected that the process of transferring Shares into DIs, once a valid and complete instruction is provided, will take approximately 24 hours. After conversion of the DI, Shareholders will be able to trade their Shares on LSE, subject to having a broker who can facilitate this trade. Your broker will provide you with confirmation that you are now the holder of an equivalent amount of DIs.

Application of LSE Rules

While listed on the Main Market of the LSE, the Company continue to comply with the UK Listing Rules, Disclosure Guidance and Transparency Rules (including periodic financial reporting requirements relating to annual financial reports and half-yearly financial reports), UK Market Abuse Regulation and LSE Admission and Disclosure Standards.

Directors' Recommendation

For the reason set out in this Notice of Meeting and Explanatory Memorandum, the Board unanimously recommends that the shareholders vote in favour of Resolution 3.

4. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

4.1 General

As announced on 28 March 2024, the Company entered into a deed of variation (**Deed**) with Mercer Street Global Opportunity Fund, LLC (**Mercer**) in respect of the convertible securities agreement entered into between the Company and Mercer in 2020 (**Convertible Securities Agreement**). This included the refinancing of 500,000 convertible notes from the 2020 convertible note facility (**Notes**) which totals \$2,100,000.

As at the date of this Notice, 2,100,000 Notes pursuant to the terms of the Convertible Securities Agreement remain on issue. The Company and Mercer have agreed to amend the minimum conversion price of 500,000 Notes under the Convertible Securities Agreement from not less than \$10.00 to not less than \$0.35.

On 28 March 2024, the Company issued 1,428,571 Shares at an issue price of \$0.35 per Share on conversion of 500,000 Notes (**Mercer Shares**).

The issue of the Mercer Shares did not breach Listing Rule 7.1 at the time of the issue.

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 30 November 2023.

The issue of the Mercer Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Mercer Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Mercer Shares.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Mercer Shares.

4.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Mercer Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Mercer Shares.

If Resolution 4 is not passed, the Mercer Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Mercer Shares.

4.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Shares were issued to Mercer;
- (b) 1,428,571 Mercer Shares were issued and the Mercer Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Mercer Shares were issued on 28 March 2024;
- (d) the issue price was \$0.35 per Mercer Shares. The Company has not and will not receive any other consideration for the issue of the Mercer Shares;
- (e) the purpose of the issue of the Mercer Shares was to satisfy the Company's obligations under the Convertible Securities Agreement; and
- (f) the Mercer Shares were issued to Mercer under the Convertible Securities Agreement. A summary of the material terms of the Convertible Securities Agreement is set out in Schedule 1.

5. RESOLUTIONS 5 AND 6 – RATIFICATION OF PRIOR ISSUE OF SHARES AND WARRANTS

5.1 General

As announced on 1 July 2024, the Company received firm commitments from professional and sophisticated investors (**Initial Placement Participants**) to raise up to US\$500,000 through the issue of 625,000 Shares at an issue price of US\$0.8 (~A\$1.20) per Share together with one (1) free attaching Warrant for every two (2) Shares subscribed for and issued (**Initial Placement**).

On 3 July 2024, the Company issued the Shares and Warrants the subject of the Initial Placement (**Initial Placement Securities**). 312,500 Warrants were issued pursuant to the Company's capacity under Listing Rule 7.1 and 625,000 Shares were issued pursuant to the Company's 7.1A mandate which was approved by Shareholders at the annual general meeting held on 30 November 2023.

Proceeds from the Initial Placement will be used to continue the Company's drug development pipeline, including CannEpi® and CimetrA®.

The issue of the Initial Placement did not breach Listing Rule 7.1 at the time of the issue.

5.2 Listing Rules 7.1 and 7.1A

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 30 November 2023.

The issue of the Initial Placement Securities does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rule 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Initial Placement Securities.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Initial Placement Securities.

Resolutions 5 and 6 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Initial Placement Securities.

5.3 Technical information required by Listing Rule 14.1A

If Resolutions 5 and 6 are passed, the Initial Placement Securities will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Initial Placement Securities.

If Resolutions 5 and 6 are not passed, the Initial Placement Securities will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Initial Placement Securities.

5.4 Technical information required by Listing Rule 7.4

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolutions 5 and 6:

- (a) the Initial Placement Securities were issued to professional and sophisticated investors who were identified by the Directors. The recipients were identified through a bookbuild process, which involved the Directors seeking expressions of interest to participate in the Initial Placement from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the Initial Placement Securities were issued on the following basis:
 - (i) 312,500 Warrants issued pursuant to Listing Rule 7.1; and
 - (ii) 625,000 Shares issued pursuant to Listing Rule 7.1A;
- (d) the Shares issued to participants in the Initial Placement were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the Warrants issued to participants in the Initial Placement were issued on the terms and conditions set out in Schedule 3;
- (f) the Initial Placement Securities were issued on 3 July 2024;
- (g) the issue price per Share was US\$0.8 (~A\$1.20) and the issue price of the Warrants was nil as they were issued free attaching with the Shares on a 1:2 basis. The Company has not and will not receive any other consideration for the issue of the Initial Placement Securities (other than in respect of funds received on exercise of the Warrants);
- (h) the purpose of the issue of the Initial Placement Securities and the intended use of funds is set out in Section 5.1 above; and
- (i) the Initial Placement Securities were not issued under an agreement.

6. RESOLUTIONS 7 AND 8 – RATIFICATION OF PRIOR ISSUE OF SHARES AND WARRANTS

6.1 General

As announced on 16 July 2024, the Company received firm commitments from professional and sophisticated investors (**Subsequent Placement Participants**) to raise up to US\$2,000,000 through the issue of 2,500,000 Shares at an issue price of US\$0.8 (~A\$1.20) per Share together with one (1) free attaching Warrant for every two (2) Shares subscribed for and issued (**Subsequent Placement**).

On 17 July 2024, the Company issued the Shares and Warrants the subject of the Subsequent Placement (**Subsequent Placement Securities**). 1,250,000 Warrants were issued pursuant to the Company's capacity under Listing Rule 7.1 and 2,500,000 Shares were issued pursuant to the Company's 7.1A mandate which was approved by Shareholders at the annual general meeting held on 30 November 2023.

Proceeds from the Subsequent Placement will be used to continue the Company's drug development pipeline, including CannEpil® and CimetrA®.

The issue of the Subsequent Placement did not breach Listing Rule 7.1 at the time of the issue.

6.2 Listing Rules 7.1 and 7.1A

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 30 November 2023.

The issue of the Subsequent Placement Securities does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rule 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Subsequent Placement Securities.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Subsequent Placement Securities.

Resolutions 7 and 8 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Subsequent Placement Securities.

6.3 Technical information required by Listing Rule 14.1A

If Resolutions 7 and 8 are passed, the Subsequent Placement Securities will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Subsequent Placement Securities.

If Resolutions 7 and 8 are not passed, the Subsequent Placement Securities will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Subsequent Placement Securities.

6.4 Technical information required by Listing Rule 7.4

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolutions 7 and 8:

- (a) the Subsequent Placement Securities were issued to professional and sophisticated investors who were identified by the Directors. The recipients were identified through a bookbuild process, which involved the Directors seeking expressions of interest to participate in the Subsequent Placement from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the Subsequent Placement Securities were issued on the following basis:

SCHEDULE 2 – CONVERTIBLE SECURITIES AGREEMENT

The material terms of the Convertible Securities Agreement are as follows:

- (a) **Secured Debt Security:** Repayment of the face value of the Notes is secured by a first ranking general security granted by the Company in favour of Mercer.
- (b) **Reconstructions:** In the event of a consolidation, subdivision or similar reconstruction of the issued capital of the Company, the terms of the Notes will be reconstructed to the extent necessary to comply with the Listing Rules.
- (c) **Satisfaction of Notes:** The face value of each Note issued is to be satisfied by:

- (i) Being converted into Shares:

Mercer may (at its absolute discretion) converting the Notes (in a minimum parcel with a face value of at least \$25,000) at any time prior to 1 February 2024 (**Maturity Date**), by giving the Company a conversion notice. The conversion will occur within 5 business days of receipt of the notice.

The number of Shares to which Mercer is entitled upon conversion of the relevant Notes is determined by the following formula:

Number of Shares = repayment amount / conversion price.

The applicable conversion price is set out below.

Upon conversion of the Notes:

- (A) those Notes are cancelled and may not be reissued; and
- (B) the face value of the Notes which has been converted will be deemed satisfied.

- (ii) Being repaid:

If Mercer has not notified the Company in writing by the day that is 10 business days prior to the Maturity Date that it will be converting the relevant Notes (in whole or in part), the Company is to pay in full to the holder of the Notes, the face value of the Notes (and any accrued but unpaid interest).

If an event of default is subsisting after the Company has notice, the Company must repay the face value of the outstanding Notes held by Mercer together with any accrued by unpaid interest.

If there occurs a change of control event or a delisting event, Mercer may require repayment by the Company of some or all of the Notes; or

- (iii) Being repurchased:

Provided that the Company is:

- (A) in compliance with its obligations under the Convertible Securities Agreement;

(B) there is no existing event of default; and

(C) Mercer has not issued a conversion notice,

the Company may (by written notice to Mercer) elect to repurchase all of the outstanding Notes on issue at any time, for a 3% premium to the face value, provided such repurchase is permitted by law and the Listing Rules.

Where Mercer receives a written notice from the Company with respect to the repurchase of Notes, Mercer may elect to convert up to 30% of the Notes, the subject of such notice.

(d) **Rights of Mercer upon an Event of Default:** Upon the occurrence of an event of default, Mercer may in its sole discretion:

- (i) declare all outstanding obligations by the Company under the Convertible Securities Agreement to be immediately due and payable; or
- (ii) terminate the Convertible Securities Agreement, in which case any amounts payable under the Convertible Securities Agreement to Mercer, become immediately payable.

(e) **Termination:** The Convertible Securities Agreement may be terminated:

- (i) by the mutual written consent of the parties, at any time;
- (ii) by the Company, provided that the Company has paid Mercer all money due and payable under the Convertible Securities Agreement;
- (iii) by Mercer, in an event of default; and
- (iv) by Mercer, if, as a consequence of any change of law, regulation or administrative action or policy relating to tax after the execution date, the tax liability of Mercer increases.

Upon termination, any amounts payable under the Convertible Securities Agreement to Mercer or the Company which are unpaid as at the date of termination, become immediately payable.

(f) **Conversion Conditions:** Any conversion of the Notes, is conditional on the following conditions (together, the **Conversion Conditions**):

- (i) **shareholding limits:** the relevant conversion will not:
 - (A) cause the voting power in the Company of Mercer and its associates to exceed 4.99%, unless Mercer gives its written consent to the Company from time to time, that Mercer's

relevant interest may exceed 4.99% but will not exceed 9.99%;
and

- (B) result in Mercer acquiring a relevant interest in the Shares which causes the voting power in the Company of Mercer and its associates to exceed 19.99%.
- (ii) **capacity:** the Company either:
- (A) for the purposes of Chapter 7 of the Listing Rules and for all other purposes obtaining Shareholder approval to issue the relevant securities the subject of the relevant conversion; or
 - (B) having existing placement capacity to issue the relevant securities the subject of the relevant conversion without any further Shareholder approval (including for the purposes of Chapter 7 of the Listing Rules or any other purpose);
- (iii) **representations and warranties:** each representation and warranty by the Company in the Convertible Securities Agreement being true and correct;
- (iv) **other requirements:** any and all authorisations, in the reasonable opinion of Mercer, necessary at the relevant conversion date, to give effect to the transaction under the Convertible Securities Agreement, having been obtained by the Company and remaining in full force and effect;
- (v) **no disclosure or default:** Mercer is of the opinion, acting reasonably, that:
- (A) any offer for sale by Mercer or its nominee of any of the relevant securities, does not and will not need disclosure under Part 6D.2 of the Corporations Act;
 - (B) the issue of any securities in respect of the relevant conversion has not and will not result in the Company being in breach of the Listing Rules or any other law;
 - (C) no event of default has occurred; and
 - (D) no event of default would result from the relevant conversion being effected and the relevant securities being issued;
- (vi) **compliance with Convertible Securities Agreement:** the Company has complied in all respects with all agreements and covenants required by the Convertible Securities Agreement as at or prior to the conversion date;
- (vii) **quotation:** the ASX has not indicated to the Company that quotation of Shares (issued on conversion) on the ASX will not be granted; and
- (viii) **conversion price:** means in respect of any Notes, the lower of:
- (A) A\$35.00; or
 - (B) 92% of the lowest daily VWAP of the shares selected by Mercer and specified in a Conversion Notice for the 10 Trading Days on

which Shares traded in the ordinary course of business on the ASX ending on the date immediately prior to the relevant Conversion Notice,
